HELPING YOU CREATE, MANAGE & PROTECT YOUR WEALTH

FIDUCIAN Financial Services
INTEGRITY • TRUST • EXPERTISE

We all lead busy lives. Between work, family and social commitments it can be hard to see things from a broad perspective. Whatever stage you're at in life, whether you're saving for your first home, wanting to reduce your debt or provide for the lifestyle you want in retirement, we'll work with you to build a financial solution to help you achieve your goals. As your life changes, we'll be there to help you remain on track.

ABOUT FIDUCIAN

At Fiducian Financial Services, our aim is to help you achieve your financial goals and lifestyle aspirations. We work with you to provide a plan that will create, manage and protect your wealth over the long term. All Fiducian financial advisers are fully qualified, licensed and authorised to act under the Fiducian Financial Services AFS license issued by the Australian Securities and Investments Commission (ASIC). The Fiducian difference lies in our financial advisers' ability to form lasting relationships with their clients based on integrity, trust and expertise.

PROFESSIONAL & EXPERIENCED

Drew's approach to financial advice is simple: build real relationships, focus on what matters, and help people live with more confidence about their money.

With over 20 years of experience across banking and boutique financial services, Drew brings deep technical know-how, but it's his ability to listen, relate, and simplify that his clients value most. He's helped people at all stages of life—whether they're just getting started, navigating complex decisions, or planning for retirement—with a focus on clarity, strategy, and peace of mind.

Drew holds a Master of Financial Planning and has met the FASEA exam standards required by law. He's committed to staying across legislation and market movements so his clients don't have to.

Above all, Drew believes financial advice should be honest, approachable, and all about you—not just your numbers.
