*On 1 March 2015, the Fiducian Group restructured into a non-operating holding company structure following receipt of the requisite approvals from the shareholders and the Federal Court of Australia. This restructure resulted in Fiducian Group Limited being established as the non-operating parent for the Fiducian Group. As a consequence of the restructure the activities of Fiducian Portfolio Services Limited, with the exception of the Registrable Superannuation Entity licence, were transitioned across to various entities within the Group to align the businesses along legal and operating entity lines.

**Director retirements: Litsa Tsitsis effective 1 July 2017; Brian Lacey effective 25 October 2019; Assyat David effective 23 October 2020.
