

Fiducian Capital Safe Fund

Monthly Report - October 2025

Fund description

The Fiducian Capital Safe Fund is intended to provide a secure return with low risk of capital loss relative to other investment categories. Approved investments include Australian Dollar short-term deposits, cash equivalent securities and fixed interest investments, where the latter could include some income generating equity backed securities.

This Fund is likely to be suitable for short-term investors or investors who may wish to access this Fund for regular income payments.
